To our Shareholders of Liberty Northwest Bancorp:

I am pleased to report we have continued to help our local business community by providing additional Paycheck Protection Program loans in this first quarter of 2021. As of February 28th, 2021, approximately \$25 million in loans have been initiated for approval with the Small Business Administration (SBA).

As indicated earlier in 2020, despite a global pandemic and its impact on people's wellbeing and the economy, Liberty Bank continued to make significant progress in growth, quality, and market expansion for the year ending December 31, 2020. We hit many milestones as we served our valued Kitsap County community and attracted new customers across the Sound in Bellevue and the Eastside. Here are some of the key milestones we hit:

- Total Assets were \$170.6 million on December 31, 2020, compared to \$128.2 million on December 31, 2019. This was **an increase of \$42.4 million or 33.1% during this annual period**. If we factor out the impact of Paycheck Protection Program (PPP) lending, assets on December 31, 2020, were \$135.5 million, **an increase of \$7.3 million or 5.6% during this annual period**.
- Loans were \$125.8 million on December 31, 2020, compared to \$82.0 million on December 31, 2019, **a \$43.8 million increase or 53.4% during this annual period**. If we exclude PPP loans of \$35.1 million, **our annual loan growth would be \$8.7 million or 10.6%**.
- Since the first round of the Small Business Administration's (SBA) PPP funding, Liberty Bank **has processed more than 500 applications** for existing and new clients, totaling more than **\$70.0 million in PPP loans**.
- On December 31, 2020, the bank had **zero non-performing loans** and no loans with payments past due more than 30 days, something we are very proud of during these challenging economic times. While our credit quality performance continues to outperform our peers, Liberty Bank also set aside additional loan loss reserves of \$331,000 during this annual period as a prudent measure during this time of economic stress.
- Net Interest Income (excluding PPP fees) **increased by \$ 400,000 or 9.9%** despite the reduction in the Fed Funds rate during the year in response to the global pandemic. The increase in Net Interest Income is due to the increase in loan volume and a reduction in deposit rates. The bank's Net Interest Margin for this annual period is 3.76%.

- Net Income for Q4 ending December 31, 2020, was \$98,000 with annual net income of \$513,000. This compares to \$148,000 of annual net income in 2019. This was an increase of \$365,000 or 246.6%.
- Liberty Northwest Bancorp’s book value per share increased to \$7.67 for Q4 from \$7.21 one year earlier.

Liberty Northwest Bancorp is providing capital strength to Liberty Bank.

In my last correspondence, I noted that shareholders approved the formation of a new bank holding company. The goal of the bank holding company is to increase shareholder value and provide access to the capital markets. I am pleased to report that on March 23rd, Liberty Northwest Bancorp successfully issued \$5 million in subordinated debt. These funds can be utilized as Tier I capital as they are injected into Liberty Bank.

I am also happy to report other important news since my last report:

- Andy Leikin joined our management team as Senior Vice President and Chief Credit Officer.
- We welcomed Loreen Arnold and Galina Georgieva to our team of experienced lenders.
- Finally, we have broken ground on a new Liberty Bank building being constructed across the street from our existing space in Poulsbo. During the last 10+ years the bank has been leasing our Poulsbo location. This move will solidify our community presence in the Poulsbo market with our very own office building providing better access and drive-up facilities.

It is also important to recognize the amazing team of individuals that have been here at the bank over the last 10+ years. They have provided the vision and foundation for what we are building today. We are thankful for their continued effort and determination. They are truly the superstars in our community and bank.

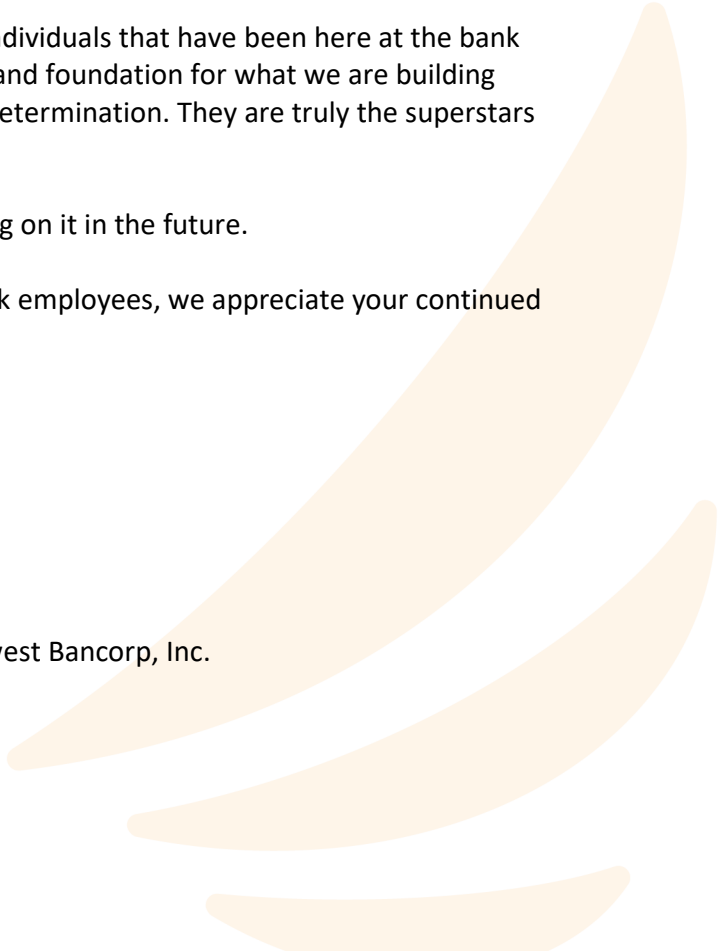

I am excited by our success and look forward to building on it in the future.

On behalf of the Board of Directors, and all Liberty Bank employees, we appreciate your continued support.

Sincerely,

Richard C. Darrow
Chief Executive Officer of Liberty Bank
President and Chief Executive Officer of Liberty Northwest Bancorp, Inc.
